

Homeowners,

Tarrant Oak Ridge has recently experienced vehicle theft and several car break ins. If you have any Ring or other camera footage that may assist with the investigation, please report to the police department.

These incidents typically occur during the early morning hours between 2:00 a.m. - 3:00 a.m. and are often carried out by individuals who do NOT live in the community. These are experienced criminals that have the ability to clone key fobs, allowing them to enter a vehicle quickly and in some cases drive away.

In a recent incident, a second vehicle followed behind the individual breaking into cars to provide a quick getaway. If you notice any unusual behavior, do not hesitate to call the police.

If you come across any discarded items such as wallets, bags and purses please take a picture and notify us. We can send out a notice and attempt to find the owner.

To help prevent future break ins:

- Keep doors locked at all times
- All valuables removed from the car
- Packages, especially during the holiday season, removed from car
- 

Thank you for helping to keep our community safe!
